---

### **4. REPORTS**

All SAC members were given the opportunity to share a brief report of feedback/ideas they have compiled from their discussion with students at their campus.

### **5. SURVEY RESULTS**

Candice shared the results of the student survey with the council – this survey is available to all new students. They are surveyed on a variety of topics such as activities, and expectations they have from their Student Association. An analysis was compiled to provide a summary of the top interests and feedback.

The top interests included sporting events, food-based events, social and fun activities, cultural and inclusive events, career and academic support.

Some suggestions for improvement included better event design, encourage interactive events rather than passive attendance, more incentives, such as food and prizes. Better promotion to advise students of upcoming events as many state they were not aware, stating that more advertising would help. It was shared by Candice that we are planning in January to start sending a monthly newsletter to provide students with what is upcoming.

### **6. UPCOMING EVENTS**

#### **a. Schedule of Events**

Emma reviewed all the events that were hosted during the month of November. Followed by providing a calendar of events for the upcoming month of January 2026 – with the highlight being Winter Welcome Week.

#### **b. Volunteer and CEC Requirements for Events**

Emma and the Chair advised all council members that they would like to see more council members sign up for volunteering at events. With the help of more volunteers, it allows more events to be hosted. The volunteer sign-up spreadsheet is available for all SAC members to access via the SharePoint.

#### **c. SAC Feedback, Questions, and Ideas**

Emma reminded all council members that if they have any event ideas that they want to suggest to ensure to send her an email as she is actively

Candice advised that we do have the community donations budget line that this would be applicable to this event. Candice will reach out to the organizers for further details and report back.
