**4. INTRODUCTION – SASHA NANDLAL**

Sasha Nandlal attended the SAC meeting to provide all council members with a brief overview of her role within the College as the Culture & Inclusion Advisor. Sasha provided all in attendance with a brochure with her contact information and encouraged that they reach out to her if they have any suggestions on how we can ensure we are all providing services, events and initiatives that are inclusive for all.

**5. REPORTS**

All SAC members were given the opportunity to share a brief report of feedback/ideas they have compiled from their discussion with students at their respective campuses.

**6. UPCOMING EVENTS**

**a) SCHEDULE OF EVENTS:**

Emma reviewed all the events that were hosted during the months of January. Followed by a brief overview of the upcoming events for the months of February/March – with the highlight in March being the *Creative Cat Walk*. The calendar of all upcoming events is available on the SAC SharePoint for all to reference.

**b) VOLUNTEER AND CEC REQUIREMENTS FOR EVENTS:**

Emma advised that the sign-up to volunteer at events is available for all on SharePoint. It was highlighted that we will require many volunteers to assist with packing the self-care packs that will be distributed to students the end of March.

**c) SAC FEEDBACK, QUESTIONS, AND IDEAS:**

A suggestion was proposed that we could have some instructions/signage in the woman's facilities on how to properly dispose of feminine hygiene products – stating that many facilities frequently have students disposing of products incorrectly. Candice stated that we certainly could have some signage and that she will look into the logistics of this.

Candice provided some updates to the SAC – the College currently has applications open for Valedictorian, they will require a student for each of the graduations. The breakfast program has relocated to the MCCE (the gym)

– the attendance has been down, and Candice encouraged the SAC to be communicating the change of location to students.

The College now has an Indigenous Council, and they have been advised that they should also look into hiring a Knowledge Keeper, who would be able to assist with advising Indigenous students.

Candice stated that we are currently in the process of working with the Graphic Design students as they are going to design our new logo as a part of their final projects – she will provide an update next meeting on their progress.

The upcoming Student Advisory Council application is ready to be sent to students following the approval from the Board at their meeting next week – if approved applications will open on February 11, 2026, and close on March 11, 2026. It was also stated that all the current Board members will be graduating – therefore if there are any SAC members that will be returning next academic year and are interested in these positions that they reach out to the current Board to express their interest.

**7. STUDENT FEEDBACK FROM REPORTS**

The council had the opportunity to discuss and provide feedback on previous events they have attended and suggest ways to better engage students to attend.

**8. ACTION ITEMS**

- a) Candice will work on having signage for the proper disposal of feminine hygiene products in the Woman's facilities
- b) Candice will reach out to the SAC following the approval from the Board to confirm the dates of applications for incoming SAC
